WORK EXPERIENCE

Full Stack Development(Remote Internship) Swecha

07/2020 - 09/2020

Achievements/Tasks

- Designed and Developed a **REST** Api for a application called **Local MMT Booking for Hyderabad Metro** which provides **real time updates of Metro**.
- **Stack : Vanilla Javascript, MySQL , Node.js.**

COMPETITIVE CODING PROFILES

1.Hackerrank(5🌟) 📄

<https://www.hackerrank.com/sayeedofficial>

2.Codechef(5🌟) 📄

<https://www.codechef.com/users/sayeedofficial>

3.Leetcode(2🌟) 📄

<https://leetcode.com/sayeedofficial/>

ACHIEVEMENTS

Secured Global Rank 1 in codechef may 2021 long challenge

Secured Air 1489 in All india Ninja & Hire coding competition

Qualified for project symposium final conducted by CORSIT

Secured Global Rank 114 in codechef dec 2020 long challenge

2nd in Programming Quiz Competition in ETHOS2K19

Runner Up in Life Extension and Sciences in Browse 2k19

EDUCATION

Computer Science and Engineering Siddaganga Institute of Technology

08/2018 - Present

7.83

Pre University

Sarvodaya Pre University College

2018

82.17

Class 10

Sri Chaitanya Techno School

2016

100

TECHNICAL SKILLS

C/C++

Core Java

Python

JavaScript

React

MySQL

Git/GitHub

Linux

Node.js

Flutter

Data Structures

Operating Systems

Networks

PERSONAL PROJECTS

1. GeeksHub 📄

- Its a Client side application which is used to search and fetch information of GitHub Users , navigate to user profile, look at the top repositories and more.
- **Stack : React and GitHub Api.**
